## SOCIETY MEMBERSHIP INFORMATION

The Society was founded in 1957 and was registered as a charity in 1962. Registered dental, medical graduates and dental nurses throughout the world are eligible for election to membership.

The purposes of the Society is to promote and encourage the study and extend the practice of improved methods of administration of anaesthesia and sedation and all forms of anxiety and pain control in dentistry.

The Officers of the Society are honorary and are:-

The President  
The President Elect  
The Secretary  
The Treasurer  
The Editor  
The Course Organiser

They and two or more elected members constitute the Council who, together with the Trustees are responsible for the general running of the Society. Periodically, Digest Reports are published and distributed gratis to all members of the Society.

Application for membership should be made on the attached form accompanied by the current subscription rate. The Society's financial year runs from the 1<sup>st</sup> of January to the 31<sup>st</sup> December.

***The Society's work is only possible through the support of its members. This work includes:***

- ◆ Regular running of SAAD Postgraduate Courses in London and other centres in the United Kingdom and periodically overseas.
- ◆ SAAD courses for dental nurses which are usually in conjunction with SAAD Postgraduate Course and Seminars.
- ◆ The SAAD Evaluation Programme which assesses operator, premises, equipment and staff and is of great value in relation to the implementation of contemporary standards.
- ◆ Representation on committees of enquiry, study groups, and virtually all official advisory bodies concerned with dental anaesthesia and sedation.
- ◆ Advice to professional protection societies and, if necessary, provision of expert witnesses.
- ◆ Records of (and enquiries into) all tragedies occurring in the United Kingdom in connection with the treatment of dental patients.
- ◆ The furthering of research into the dental uses of new drugs as they are developed.
- ◆ Helping those members of the public who require particularly the services of dentists using modern pain and anxiety control methods.
- ◆ Functioning as a member of the International Federation of Dental Anaesthesiology Societies-IFDAS - (which gives each SAAD member automatic membership).

PRIORITY IS GIVEN TO MEMBERS REQUESTING PLACES ON COURSES AND SEMINARS AT A REDUCED RATE.

NO OTHER ORGANISATION OFFERS SUCH COMPREHENSIVE ACTIVITY IN RELATION TO PAIN AND ANXIETY CONTROL IN DENTISTRY.
